About us

In an era defined by the relentless pursuit of knowledge and the boundless opportunities offered by global education, World EdX emerges as a trailblazing overseas education consultancy, poised to transform the way aspiring students embark on their academic journeys. As a dynamic startup, our mission is clear: to empower individuals with the tools, guidance, and expertise needed to unlock the doors to world-class education across borders.

Our vision is to revolutionize the overseas education industry by leveraging innovative technologies and data-driven insights. We strive to redefine the way students discover, choose, apply to, and succeed in their educational journeys abroad.

Our Goal

Our goal is to increase access to quality education globally through research, knowledgebase, & innovative initiatives.

Our goal is to empower students worldwide who aspire for international education to excel academically and professionally in a globalized world abroad.

Our goal is to promote cross-cultural exchange and understanding through international programs, creating opportunities, partnerships, and collaborations for students to engage with diverse perspectives and cultures.

Our Value

We promote lifelong learning and create lifetime value by encouraging students to develop a thirst for knowledge, curiosity, and continuous personal growth. We believe that education extends beyond the classroom, and we strive to cultivate a lifelong connect for learning in and beyond pursuing overseas education.

Unraveling Opportunities

In an increasingly interconnected world, the opportunities for international education have never been more promising, yet navigating the complex landscape of admissions, scholarships, visas, and cultural integration can be a daunting task. This is where World Edx steps in as your dedicated partner, simplifying this intricate journey. We provide students with comprehensive guidance, offering clarity and direction every step of the way.

IELTS Classes

IELTS (International English Language Testing System) is the world's most popular English language test for study, work and migration. More than 11,500 organizations accept IELTS across 140 countries. IELTS assesses a test taker's English language proficiency across four skills: listening, reading, writing and speaking.

IELTS Test Format

IELTS is a test of all four language skills. The total test time is under three hours.

- IELTS Listening test (30 minutes)
- IELTS Reading test (60 minutes)
- IELTS Writing test (60 minutes)
- IELTS Speaking Test (11-14 minutes)

IELTS can be taken in two formats: Pen-Paper Based Test (PBT) and Computer Based Test (CBT).

- **Pen-Paper Based Test** - Reading, Listening and Writing sections are taken on paper and the Speaking section is through a face-to-face interview with an examiner.

Result is available in 12-15 days.

- **Computer Based Test** - Reading, Listening and Writing sections are taken on Computer. The Speaking test is held in the face-to-face method with IELTS examiners. The examination is completed on the same day for both paper & computer-based formats. The Speaking section may be completed up to one week after or prior to the other tests.

Result is available in 3-5 days.

Types of IELTS Exam

IELTS offers a range of tests, including IELTS Academic and IELTS General Training.

- IELTS Academic is suitable for those who want to study at a higher education level or for professional registration purposes.
- IELTS General is suitable for those who want to migrate to an English speaking country for work purpose.
